

Shipping Labels - fan-fold, rolled or laser, direct thermal labels

Fan-fold 4" x 6" Labels:

4,000 labels per case.
(2,000 labels per stack.)

Use fan-fold labels to avoid frequent changing of rolls.
Stack of labels sits behind printer and label feeds through back slot.

4" x 5" or 4" x 6" Rolled Labels:

12 rolls per case.
(3,000 labels per case, 1" core).

These rolls of mailing labels are recommended for use with our
Eltron 2844 Thermal Printers.

4"x 6" Thermal Labels with ¾ inch doc tab

12 rolls (3000 labels per case.)

Document tab comes out first, before label.
Recommended with our Eltron 2844 Thermal Printers.

4"x 6" Thermal Labels with ¾ inch doc tab Rewound

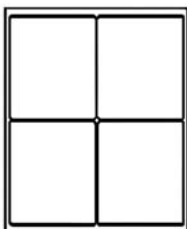

12 rolls (3000 labels per case.)
(Rewound - Trailing Edge; Tab comes out last).

Recommended with our Eltron 2844 Thermal Printers.

4" x 6" Rolled Labels

4 rolls per case
(4,000 labels per case. 3" core).

Box of 4" x 5" Laser Labels

4,000 labels per case.
(4 labels per sheet, 10 boxes per case.)

These labels use the finest material available.
If you need a label for mailing or shipping, these
permanent paper labels are strongly recommended.
